

WE HAVE A VIDEO FOR THIS

# Engineering excellence, global production

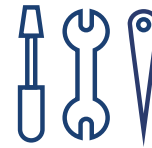

Advanced  
in-house  
engineering

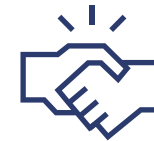

Innovative,  
tailored design

Seamless integration  
from idea to  
serial manufacturing

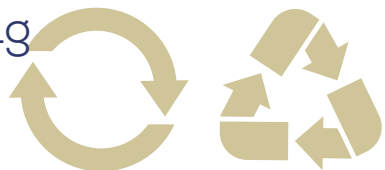

Own production  
facilities worldwide

Trusted  
partner

Efficient  
global delivery

# Recycle our covers

Make it new

CHANCE BETWEEN IMAGE - VIDEO- GRANULE VIDEO

Retired covers are shredded into pieces

Sorting of pieces and washing of PP

The sorted PP material is transformed into granules

The granules are used for new products
